

A large, embossed sunburst design occupies the upper two-thirds of the page. The sunburst has a central circular core with radiating lines. Within the rays, the numbers '9', '5', and '5' are embossed in a stylized font. The '9' is positioned on the left side, and the two '5's are on the right side, one above the other. The entire design is set against a background of a repeating, embossed floral or leaf pattern.

Gretna High School

Gretna, Virginia

VIRGINIA THOMAS OWEN - EDITOR

KITTY SUE BERGER - BUSINESS MANAGER

Foreword

We, the students of Gretna High School, have in our hands a
KEY---

A KEY that discloses wisdom and understanding

A KEY that opens the door to the future with an open mind

A KEY that unlocks the doors of opportunity along the
road to success

A KEY that prepares a way to happiness

This KEY Gretna High School has provided and is providing
for us, her students.

And thus, as Gretna provides us with a key to the future, so
do we, the Staff, hope to provide the reader with a key to the
past, that in years to come he may find within its pages a re-
cord of his stay at Gretna.

It is to this end that we present the 1955 edition of THE
JUNCTION.

A black and white photograph of a three-story brick building, Gretna High School. The building features several large, multi-paned windows and a central entrance. An American flag is hanging from a window on the second floor. A person is standing on the sidewalk in front of the building, near the entrance. The sky is visible at the top of the frame.

GRETNA HIGH SCHOOL

OH GRETNA HIGH!!!

Oh Gretna High we honor you today.
With loyal hearts we sing this song
so gay.
We love to think of all the passions
true
Spent in the walls that made the gold
and the blue.
We love to think of all ideals you 've
set
And all you've been to those who're
with you yet
And in the years to come, we will
surpass
By and by, all other schools.

Dedication

A KEY that opened our hearts to him,

MR. LEE HAMPTON BENTON

Because of his devoted service in G. H. S.

- - - his wonderful spirit of cooperation
- - - his personal interest in each individual pupil
- - - his work in planning and developing for Gretna one of the finest Bands in the State
- - - these and all other personal and inspirational qualities which have characterized his efforts on Gretna's behalf

We, the Staff, affectionately dedicate The 1955 Junction to our friend and instructor,

MR. LEE HAMPTON BENTON.
